Housing Needs

- The Bruce County Long Term Housing Strategy (2010-2020) and subsequent update (2013-2023) previously identified several issues influencing the housing market in Bruce County including:
 - a growing seniors' population;
 - increased demand for affordable housing;
 - a shortage of special needs housing and support services;
 - an undiversified housing stock; and
 - the challenge of maintaining the existing housing stock
- Partner Opportunities
 - Innovative housing projects to diversify housing stock and increase affordable housing
